10 April 1977

Dear Sirs:

Once I started Okada's No No Boy could not put it down. Profoundly moving story, powerfully told. Have sent a copy to my father, a KIBEI who experienced his own kinds of difficulties in the evacuation.

Enclosing the \$4.00 I still owe for the books. Thank you for sending them even though my payment wasn't sufficient.

Sincerely,  
Ken Yamashita
